Check out this awesome professionally renovated rancher with a full walk out basement. The fabulous high end gourmet kitchen is very bright and open to the cozy living room with gas fireplace. Two extra large bedrooms up includes a master e nsuite. Walk out to the nice size partially covered deck and take in the river views and gorgeous sunsets. Downstairs is set up perfectly for a teenager with a large bedroom, full bathroom, cozy family room and an office that could be a 4th bedroom. A level walkout basement takes you out to the fully fenced totally private back yard with a covered patio to relax in your newer high end Hot Tub. There is a pet run along the back fence. All this and great street appeal on a quiet cul-de-sac.
