Welcome to Proximity! This unique and spacious 1 bedroom corner unit has the largest floor plan in the building. Originally a 2 bedroom suite, the developer and owner collaborated to create an open and airy 1 bedroom perfect for entertaining. With south and east facing windows and patio, the large dining area and open concept living room are bathed in natural light and large enough for house sized furniture. Never before lived in, this empty suite awaits your personal design touches. An oversized parking spot close to the elevator and a large storage room as well as separate and private bike storage make this the ultimate luxury 1 bedroom in South East False Creek! The suite can easily be converted back into a 2 bedroom.
