

417 3156 Dayanee Springs Boulevard, Coquitlam

\$379,900

Tamarack by Polygon is the final collection of one of two bedroom apartments in the sought-after master planned community of Dayanee Springs. This two bedroom corner home impresses with modern Whistler-inspired architecture featuring heavy timber details, cultured stone and cedar shingle accent features. Inside, this home showcases a flexible open-plan layout with warm laminate wood flooring, and a gourmet kitchen featuring granite countertops and sleek stainless steel appliances. Situated at the base of Coquitlam's Westwood Plateau, Tamarack is conveniently close to every urban and natural amenity from the local trails and schools to the shopping and dining at Coquitlam Town Centre.
