

# 348 Stevens Drive, West Vancouver

\$2,188,000

Beautiful 4 bedroom home on a huge lot-17,860 sq. ft. Lovely traditional home with peaceful garden with well-maintained swimming pool. Kitchen has been extended and is finished with oak cabinetry and dark granite countertops. Clerestory and skylight in the kitchen makes this a wonderful bright area overlooking Stanley Park like back garden area. French doors in master bedroom leads out onto a very private balcony. The two remaining bedrooms are large & pleasant. The .41 acre property is just fabulous. The pool area is gorgeous-it looks to be carved out of rock with a waterfall from hot tub. A beautiful house that you must see!
