

402 1088 Quebec Street, Vancouver

\$519,900

Original owner. Quiet and extra large (910sf) one bedroom & den in the heart of the city close to everything. Unit has windows facing south and east overlooking cherry tree-lined courtyard. Original upgrade from developer Bosa is additional bathroom with bathtub and classic French doors to den. Den can be a second bedroom/guest room/office. Kitchen has granite countertop and extra large fridge. New washer. One underground secured parking and one storage locker. Lots of secured visitor parking. One block to Skytrain and across the street to Science Centre. City living with lots of space and quietness, A rare find!
