This loft in Vancouver is absolutely stunning. Designed & renovated by the highly-talented homeowners, this gorgeous live/work loft is all sorts of cool. Concrete floors + feature walls, 18' foot ceilings with a matrix of pipework & wooden beams that span the space from above. The stunning bones of the home juxtapose against the ultra modern kitchen+baths with crisp white walls throughout. Koret Lofts is home to a concentration of design-led residents including the Award-Winning MGA firm. Arguably the most sought after, most coveted loft/warehouse conversion in Vancouver.
