

502 933 Seymour Street, Vancouver

\$339,000

Own a unique 2 level LOFT space in Downtown Vancouver! With 16 foot ceilings, updated kitchen and a fantastic urban outlook, you will feel more like you are in New York than Vancouver when you walk into this home. Use the additional 38 square foot space above the enclosed balcony as an office and save the space below for a den. The 2nd level bedroom includes a large walk-in closet and easily accommodates a queen bed and furniture. The building was built with rainscreen technology and boasts a rooftop deck with 360 degree views of Vancouver as well as a full gym, bbq area on the 2nd floor and party room. Visitors parking available and lockers can be rented from strata. Open house cancelled.
