Tenali on Tenth! Finally a condo without compromise - it is simply impressive but not expensive. This home has all the right ingredients of modern sensibilities combined with a superior concrete construction. There is a chic yet comfortable feel within a flawless open plan, totally separated bedrooms, two full baths, a real office/ den, fireplace and a south facing balcony. The finishes chosen are slick but sophisticated such as the dark tones of the walnut cabinets, counters and tiled back splashes. There is a cool understated vibe to the 23 premium suites within the building. Only 5 suites per floor, secured parking, additional storage and the confidence of the remaining 2-5-10 warranty.
