Another great build by Polygon. This complex truly does feel like a resort-style living. Residents enjoy the pool, entertainment kitchen, fully equipped fitness, and indoor playground. All these features while still being close to amenities like retail shopping, restaurants, cafes and recreation centre. This end unit fronts on 82 ave with convenient street parking and plenty of in-complex visitor parking nearby. Main floor is an open floor plan with a large kitchen island and plenty of counter space. Large master bedroom and beautiful ensuite with two sinks. A view of mountains from main and master bedroom. Bonus, this unit has a side by side car garage.
