

3502 1495 Richards Street, Vancouver

\$2,499,000

Take in the forever unobstructed views of False Creek from the moment you enter the welcoming foyer of this 3 bedroom home. This bright, 1,758 SqFt sub-penthouse is flooded with natural light from the floor to ceiling windows and boasts panoramic views of the mountains, water & city. An entertainer's dream with designer renovations including a chefs kitchen with thick granite counters, built in breakfast nook and a large butler's pantry with wine fridge. The living/dining area opens to the inviting balcony/outdoor living space complete with a TV. The master bedroom features his and her separate walk in closets and a luxurious ensuite with deep soaker tub and separate shower. Five star, resort-like amenities include a 24 hour concierge, indoor pool & squash court.
