Wow - stunning architecturally designed home that has gone through extensive renovations in 2017. Enter off the front porch and you'll be greeted to a main level with beautiful hardwood flooring, an ample kitchen with cast-in-place concrete counters and stainless steel appliances, plus two West facing bedrooms. A full Master Bedroom Floor was added in 2017, complete with his and hers ensuites as well as a large walk-in closet and home office (which could be an additional bedroom). Finally, the lower level features a 2 bedroom mortgage helper suite. A fully fenced, West facing backyard and a quiet, central location just off of Grand Boulevard round off this stunning home!
