

1904 1020 Harwood Street, Vancouver

\$1,799,000

Rarely available 3 bedroom corner home at the iconic Crystallis offers the best of city living. Designed for comfort and function with a large open plan, an entertainers dream. The oversized island is a gathering place for friends and the expansive 224 sqft patio becomes an extension of the living area, great for bbqs and long sunset evenings on the deck. Enjoy city views and natural light in all rooms, including the kitchen which boasts Miele, Bosch and Subzero appliances along with gorgeous marble counters and a heated floor. The master is a private enclave with the guest bedrooms in the opposite wing. 4 side-by-side parking and abundant in-suite storage + locker gives you room for all your toys. Completely updated and well maintained building inside and out, with Gym, Pool and Party Room.
