

312 3875 W 4th Avenue, Vancouver

\$569,900

Penthouse level with view of Northshore mountains + a quick skip to beaches, shops + UBC in prime Point Grey location make this one-bedroom home pretty special. Spacious, unique floorplan with vaulted ceilings and large rooms with a big balcony that offers a quiet peaceful outlook. This home is in original condition. Would be a great renovation project or could add some new flooring and would also be fab! One parking and one storage locker. Building is extremely well-maintained.
