

659 Wilks Road, Mayne Island

\$1,599,000

Casa Canaday is built like a fortress near the end of a quiet country lane and fronting on Campbell Bay in the Southern Gulf Islands. Built in 2018, the 2 level, 4 bdrm, 2535 sq. ft. home is private from the road and sits half way down the 0.35 acre sloping property. An open plan on both levels takes full advantage of the panoramic ocean views as do the spacious decks overlooking Campbell Bay, Edith Point and beyond to the Georgia Strait. The ground level offers private quarters and extra living space for family or guests. Featuring large boulder stone steps and impressive terracing, the landscape is new and awaits your further input. Below the house, more boulder terracing and stone slab steps lead to your very own private dock and views of Mount Baker. Be here in less than 30 minutes.
