

15276 Columbia Avenue, White Rock

\$1,475,000

An Ocean View that spans 180 degrees from Blaine and its city lights to the shorelines of West Beach and beyond to Point Roberts - it is Spectacular. This property awaits your new dream home to be built on it, located in just the perfect crest of the Hillside, maybe one of the BEST locations, situated on the South side of the road, level lane at the rear and no wires in the sitelines. Surrounded by numerous newer built homes that helps for that new community feel. Easy walking to both 5 Corners with its Cafes and Restaurants and the Marine Drive lifestyle. Seller had plans, Shoring agreements and a building permit in the process. One could easily plan and build a 3000-4000 + sq ft home on this property. The MLS pictures provided gives one a Vision of the possibilities.
