

2404 1550 Alberni Street, Vancouver

\$3,398,000

Enjoy incredible views of the west end, the city, English Bay and beyond from your spectacular 24th floor west facing condo. Designed by world renowned architect Kengo Kuma, your new home boasts 1,100 square feet of usable luxury indoor space - no wasted hallway space - no excessive outdoor space. This floor plan was carefully selected to minimize any wasted space and to ensure you have an incredible view! Your 2 bedroom, 2 bathroom home features a one of a kind kitchen, elegant finishing throughout, plus your very own Japanese Garden on the balcony. You also have 1 indoor parking stall and 1 indoor bike locker. Amenities include a wine tasting room, a listening room, a gym, etc. Welcome to Vancouver's most spectacular building - welcome to Alberni! Completion 2022
