

3840 Bayridge Avenue, West Vancouver

\$1,399,000

If you are looking for that hard to find large lot with a long flat level tree lined driveway leading to a beautifully renovated 4 bedroom, 3 bath home with close in stunning ocean views, this is it! This 4,800 square foot home, situated on a large .67 acre lot, has been wonderfully renovated blending the old with the new, featuring floor to ceiling windows, gorgeous hardwood floors, huge wrap around slate decks, a large master bedroom and ensuite addition to die for, and one of the nicest offices I have seen. A very private Bayridge location with fabulous mature gardens, and only steps to the beachfront. This is truly a wonderful West Vancouver opportunity.
