

# 501 910 Beach Avenue, Vancouver

\$515,000

Originally called "The Meridian at 910 Beach", great livable studio, fully furnished and in a Rental Management Program. Fantastic location near Sun Set Beach and a great view of False Creek. Walk to the Granville Island ferry, downtown and Yaletown. This can be a great pied-a-terre unit because the Rental Company can allow you to stay at least 1 month a year and still collect rent for the balance of the year. This unit is rented as a fully furnished/service apartment w/24 hr concierge & U/G parking. A fabulous hands off investment in a private downtown location. Parking stall #55.
