Last night I dreamt of the perfect condo, it was a sun drenched South West corner home in the heart of Lower Lonsdale! Everything I needed was within walking distance of my front door and traveling to my favourite spots like Buddha-ful Cafe, Lift Bakery and the Lonsdale Quay made me feel lucky to be there. The dream continued... I prepared for work the next day, enjoying a cup of coffee and looked out from my desk, to the ocean. It was magical. But my thoughts were not about work.. I was planning dinner for the friends that were coming over that evening, because I love to entertain! The only troubling part of my dream was that I couldn't figure out if we should catch the Sea-Bus and eat downtown or dine local. What would you do?
