CHILLIWACK

All images and text are for illustrative purposes only and are intended to convey the concept and style for the development project. Views are for guidance only, and all work progress checks will be in accordance with the project's progress. Final plans are intended to give general information of the proposed layout only. All images and dimensions are provided for each part of the contract for reference.

Roof-top patio, engineered for hot tub and entertaining. Luxury home with sweeping views over the valley towards the north shore mountains. Large riparian area on this lot provides extra space between this home and the neighbour. Huge windows on the main floor. Full-width patio deck on the main floor. Although a suite can not be put into this home, there is a large 18 x 20 rec room. Quality built by Westbow Construction, this home will be ready for occupancy in mid-November, 2021.
