

Ph 1403 Beach Avenue, Vancouver

\$5,580,000

Between the borders of mountains and forests rests a city of crystal buildings and satin waters - Vancouver. Within nature's favourite urban masterpiece, you will find this home privy to all of Vancouver's scenic sights. Spacious with four luxurious bedrooms, three spacious bathrooms, an exquisite open kitchen and den, all interlocked by an elegant spiral staircase separating the two floors. On your private balcony, enjoy a panoramic view of the blue-satin waters of English Bay and be mesmerized by the glimmering diamonds of light resting on its ripples. A chance to live in Vancouver is rewarding, so why not live in a home that incarnates all the beauty that Vancouver has to offer? Arrange a showing for your ideal home today!
