

# 206 1520 Vidal Street, White Rock

\$629,500

Wow! finally a fully renovated, affordable beauty! No work to be done, brand new! In popular Sandhurst complex in a very desired location. Kids ok, but no pets, no rentals. Extensive renovations done with all the required city permits. These mature buildings are awesome, bigger rooms, nice foyer entrance, massive condo kitchen with eating area, formal dining, big living area, walk-in shower. This unit has a rare feature, a fully "enclosed" large balcony off 2 bedrooms and another "open" balcony off the kitchen, looking out to beautiful private grounds with morning sun to start your day. Another bonus, the exterior windows and enclosed deck all redone with PVC covered steel, new decking and a 2nd big storage room. Quality renovations, tasteful, a must see to appreciate this opportunity!
