

398 Prince Edward Drive, No City Value

\$2,649,000

This unique 4 bedroom, 4 bathroom, custom built home is a rare find. With panorama lake views this spacious home has 5185 square feet and sits on over an acre with ample privacy. Equipped with a control4 smart home automation and security system. Placed in a quiet, remote neighbourhood only a short drive to downtown Kelowna, amenities and restaurants, and with minimal traffic, making this a very desirable location. Skylights, vaulted ceilings and countless windows create an endless amount of natural light throughout the home. Two living rooms, plenty of outdoor patio space, a cascading fish pond, solar heated swimming pool, two wet bars and a built in stereo system inside and out make this home an entertainers dream! 3 car garage, RV parking and secondary suite or carriage home potential!
