

# 1101 980 Cooperage Way, Vancouver

\$1,849,000

Welcome to this rarely available unit in most sought-after Yaletown area. This 2 bed+den+flex unit has the best floor plan in the building. It's spacious, brightly facing south and overlooking the beautifully False Creek. You can see the stunning view from every room. Besides the unit itself, you will also enjoy the Yaletown living. It's steps away from everything Yaletown has to offer. Imagine having a coffee, walking with friends or riding a bicycle at such a beautiful place whenever you want. It's a must see!
