

# 2081 Windsor Street, Abbotsford

\$1,750,000

Definitely a rare opportunity! A very unique zoning which allows a residential dwelling and industrial space on the same lot. Some hypothetical plans available for review. Great zoning for a home based business and warehousing etc. Only two lots available. Live and Work on the same lot! Some of the permitted uses are: Manufacturing, Automobile Business, Commercial Vehicle Repair, Courier and Delivery, Farm Equipment Repair and Recreational Vehicle Repair. yes, these uses are in addition to the residential dwelling.
