\$2,479,900

Nestled on a peaceful tree-lined street in Vancouver's West Side, The Willow offers eleven contemporary three-bedroom townhomes and penthouses bordering the coveted neighbourhoods of Shaughnessy and Douglas Park. This architecturally-driven two-level, air conditioned residence has been meticulously designed to enrich every element of the home – an ultra wide layout lives like a house, with rich Italian Dada kitchens, statement design details, & living areas flanked by nature on either side. Ultra wide layout gives an indoor experience referential of a detached home. Seamless transitions from living area to the oversized patio space, pushing the boundaries of indoor-outdoor living and offering congregation around the outdoor fire-table. Completion mid-2023.
