

702/704 4050 Whistler Way, Whistler

\$949,000

Steps from the base of Whistler Mountain, The Hilton Whistler Resort is an unrestricted owner-use hotel condo. Refurbished in 2018, this flexible, 'lock-off' floor plan is fully furnished with a King bed in 1 room and 2 double beds in the other room, and comes with 2 full bathrooms, a pull-out couch, kitchen with range, fireplace and balcony with one of the best village views of Whistler & Blackcomb Mountains. No limitation on owner use is perfect for families looking for more time in the resort compared to other hotel-condos. On-site amenities include pool, gym, hot-tub, tennis courts, spa, restaurant and sports bar. Hilton manages all rentals. No Airbnb. No room remodeling. Owner pays approx. 18% of room rate for owner stays. Units 702 & 704 must be sold together.
