

# 41185 Rockridge Place, Squamish

\$2,748,000

This beautifully custom built post and beam, craftsman style home has unobstructed views of the Chief, Tantalus mountain range, Shannon Falls and an expansive green space/pond. This property features cathedral ceilings, walnut/ maple flooring, a large sundeck and great natural lighting. An open concept kitchen, living & dining makes it a perfect location for a dinner with friends & family. The master also shares the same views as the living space, and with a large walk in closet and ensuite. The basement has a large 1 bed 1 bath suite, with a brand new kitchen/appliances. There is access from inside as well as a separate exterior entrance. To top it all off there is an abundance of storage space in the large overheight garage for all your toys.
