"Thom is not only a master of siting buta master of scale." - Arthur Erickson One of Vancouver's most desired architectural homes. This exceptionally well maintained masterpiece is unlike anything you have seen, the epitome of Ron Thom's famous and award winning style. This massive 16,500+sq ft property is perched above Stearman Beach with staggering ocean views from downtown Vancouver to the sunsets over Lighthouse Park. This house feels like an eagles nest, built of white stained fir & granite. Beautiful, timeless and unconventional, this home is a masterpiece.
