

309 9175 Mary Street, Chilliwack

\$249,900

Are you mature and looking for a quiet, secure condo where to relax, or where to travel from? Are you looking for a home in the lower mainland with exceptionally low ownership costs? Do you want a home on the edge of the revitalized, original, Chilliwack-core, downtown 1881 district? Then this top floor, quiet side of the building condo is for you. The building has been lovingly managed by mature owners throughout its life. Monthly ownership costs, including heat, are \$313 and even with a mortgage this is by far one of the most affordable homes in all of the lower mainland. Listed for what is typically hardly the down payment on an average home. Call now to set up a viewing to learn about the amenities of the unit, and of the location!
