

1 528 Beatty Street, Vancouver

\$538,000

Bowman Block heritage loft is as authentic as they come; with original exposed brick walls & timber ceiling beams. Originally built in 1906, it was converted to lofts by renowned developer The Salient Group in 2007. Bright, open concept space with gorgeous original features including fir wood floors, exposed brick walls & timber beams and over height ceilings. Stainless steel appliances, & a spa like bathroom. The building features a stunning common rooftop garden with fireplace & BBQ; the perfect spot for impressing your guests. Surrounded by trendy restaurants, cafes, shops and is steps away from skytrain. A truly iconic Beatty Street condo that must be seen to be entirely appreciated. Please allow 24 hours to show. Secured parking can be leased across the street.
