

1805 4638 Gladstone Street, Vancouver

\$929,900

Welcome to penthouse living at Kensington Gardens, built by Westbank Group. This two-bedroom-and-den, two-bathroom top floor residence comes with two patios including a huge, private rooftop patio with unobstructed city, water, and North Shore views. Built in 2018, this home is fitted with air conditioning, high-end Miele appliances, pearl white quartz counters, new London oak washed hardwood floors, and expansive windows to maximize the dramatic city, mountain, and water views. This five-star urban community of three luxury residential towers is centrally located 15 minutes from downtown Vancouver. Amenities include massive outdoor swimming pool, fitness centre, sauna, steam rooms, library, theatre, and party room. T&T Market and Mandarin Seafood Restaurant on ground floor.
