

11288 133a Street, Surrey

\$1,299,000

Welcome to an Urban Cottage without the lake. This 3 Bedroom, 1 Bathroom home sits on a 7,708 Sqft. Lot in Bolivar Heights on a quiet street with transit steps away, schools, parks and shops. This Home is unique & full of character when you walk in the vaulted ceilings & open concept floor plan is brilliant. The transitions from the dining room full of natural sunlight to the cozy living room with a gas fireplace & loft above with breathtaking views of the north shore mountains. The kitchen is full of stainless steel appliances, the washroom has been renovated and piping has been all changed. The Hot water tank & the roof was also done not long ago. There is plenty of storage in the shed and in the detached garage which has power as well with a hidden sprinkler system for the front lawn.
