Welcome to the beautiful Ridgemont Complex in Maple Ridge. This unit is arguable the most desirable unit in the entire development. With almost 1,700 sqft of living space this 3 bed and 3 bath home is ideally situated at the end of the complex overlooking garden & green space with no neighbours directly behind you, beside you or in front of you, truly giving you the feeling of a detached house. With one of my favourite main floor layouts in a newly constructed townhouse, spacious wide open floor plan, huge kitchen island quartz CT's and gorgeous stainless steel appliances a real entertainers dream. But wait there's more basement has almost 300 sqft flex room perfect for man cave, home office or gym. Walk out to your massive two vehicle garage with even more parking on driveway.
