What an opportunity in the heart of Gleneagles for a young family just starting out or maybe a couple wishing to downsize & condo living is not on the radar! A delightful artistic update on this great two-story home. Lovely ocean and mountain views & literally steps to the Gleneagles golf course. The style & charm has been kept top of mind while upgrading. We now have three bedrooms & an office on the main with an exterior exit. Artist studio with heat & water at the back. Garden doors lead to all patios for those long summer evenings. A triumph on every level!
