

2143 William Street, Vancouver

\$1,750,000

The cutest glimpse into vintage Grandview Woodland circa 1910! This house was last on the market in 1955, with 1 owner since then, and sports all the markings of an old-school charmer. Antique fireplace, large unfinished attic space, the promise of fir floors, and a ceiling height basement. If it's not the house you crave, then the lot will not disappoint. 122 feet long, with back lane access, and RT-5 zoning allows for a bigger footprint and a coach house or garage. Located in the enviable pocket of Grandview's verdant tree-lined streets, sterling neighbours, excellent schools, and only a short stroll to the Drive, or the new shops on Nanaimo. A top-notch community that anyone would be excited to call their next home.
