

7452 Treetop Lane, Whistler

\$9,799,000

Clean, sophisticated lines capture natural surroundings and welcomes expansive panoramic mountain views through floor-to-ceiling windows that envelope the main living area, while large sliders seamlessly connect the indoors to the expansive outdoor living space with oversized gas fireplace. Providing architectural design elements throughout, this purposefully designed residence with modern comforts includes five en-suite bedrooms, family room, wine room, outdoor hot tub and firepit, ideal for hosting family and friends. Located just a few minutes' walk to Whistler Village, lakes and trails, this stunning residence offers a rare and valuable combination of privacy, space, natural surrounds, and uninterrupted views - a true retreat with access to the magic of the mountain resort.
