

4358 Ross Crescent, West Vancouver

\$7,298,000

Gorgeous waterfront lot situated in one of the most exclusive seaside streets with 54' of water frontage. Lot is cleared and ready for construction. Seller has received development variance permit and plans have been submitted for permit and are nearly issued under the old bylaws. This will be an incredible custom project and a very rare opportunity to build a new home on West Vancouver's waterfront without the long wait of the seaside permitting process.
