\$2,950,000

Not often can you find an iconic mid-century modern post & beam home that checks all the boxes as this one. Immediately impressive - bright and airy with higher than typical vaulted T&G ceilings, tasteful updates maintaining the character, sprawling views of a greenbelt, and even a little peek-a-boo of the ocean! The upper floor is enviable among entertainers with a gourmet kitchen out to a large sun-drenched deck. Without sacrificing practicality or privacy, the bedrooms span the ground floor, each with uninterrupted forest views. Perched on a gentle granite slope with significant yard & garden plateaus, this unique site evokes freedom, seclusion, yet convenience. Only steps to the Great Trail/Spirit Trail, Gleneagles Golf Course & Orchard Restaurant, and Gleneagles Elementary School.
