

721 666 Leg In Boot Square, Vancouver

\$1,999,000

Remarkable one-of-a-kind gem nestled atop Vancouver's skyline. Set against the backdrop of the renowned False Creek, this home offers 180 degree of panoramic waterfront city views! The bright and expansive main floor features a seamless fusion of kitchen, living, dining and eating area which creates an inviting ambiance perfect for intimate gatherings. Ascent to the top floor leading you to a sprawling family room w/accordion style doors to your extraordinary terrace. As day gently transitions into the evening, you will be mesmerized of the colors during sunset or sundown. Beautiful panoramic cityscape, waters of False Creek, majestic boats sailing by and iconic bridge that graces the skyline. Amazing location with Granville Island, art, shopping, transit & more!
