\$1,170,900

Welcome to Perla by Polygon - stylish parkside apartment homes in the heart of Metrotown! Designed by dys architecture, this 39-storey tower creates a sense of sophistication with clean lines and bold accents. Featuring a prime location, Perla is a short walk from Metropolis at Metrotown, the SkyTrain network as well as various shops, restaurants and services. This SE-facing corner home comes with a lot of designer details, and a junior third bedroom with a window {which also makes a great home office!} A walk-in closet with custom drawers and lighting in the main bedroom helps keep your wardrobe organized.
