

# 5 4201 Sunshine Place, Whistler

\$2,099,000

Discover this exceptionally rare two-bedroom tucked in the heart of the Whistler Village. A true hidden gem, this property has remained off the market for 36 years. Oversized windows drench the space in natural light while framing the mountain vistas. This well-maintained unit is turnkey and has the added convenience of separate bedrooms and full bathrooms on both levels. Throughout the residence, intricate murals by Isobel MacLaurin add classic Whistler character. This Phase 1 zoning caters to investors and those seeking a mountain escape. Embrace the freedom and revenue of nightly rentals and unlimited owner usage.
