

8109 Cedar Springs Road, Whistler

\$2,349,000

Situated on nearly a 1/3-acre flat parcel in the family orientated Alpine Meadows neighbourhood, this corner lot property offers a prime development opportunity with the increased flexibility of RI1 (Residential Infill) zoning. Ideally positioned on a quiet tree-lined residential street the property backs onto Meadow Park green space and boasts Valley Trail access just steps away. Located north of the village, life in Alpine means heading home in the opposite direction of city day-trippers after playing on the mountain.
