

3 2138 Timber Ridge, Whistler

\$899,000

Timber Ridge is a charming complex situated in the peaceful Bayshores neighborhood, just a short stroll away from Creekside where you can access the gondola during the winter season and enjoy the beauty of Alpha & Nita Lakes during the summer months! Transform this classic townhome into your ideal haven or continue its tradition of being the weekend ski cabin as it is! You will find a spacious master bedroom and ensuite on the main floor, as well as an open kitchen/living area and second full bathroom. Upstairs you'll find a generously sized lofted bedroom perfect for accommodating your family. Out the back you will find spacious deck space which overlooks a serene forest and stunning rock wall. No nightly rentals!
