

931 Ocean Park Lane, Bowen Island

\$8,500,000

This world class home designed by Burgers Architecture stands as a testament to contemporary elegance harmonizing with the untamed beauty of nature. Spanning 4950sf on 1.56 acres, the residence seamlessly blends clean lines and durable materials, evoking the simplicity of coastal fisherman huts while embracing modern luxury. Upon arrival, one is greeted by a steel outer skin with a galvalume coating, punctuated with warm cedar siding. Inside, the interiors unfold with grace and sophistication, boasting gabled ceilings crafted from milled hemlock with a juxtaposition of charcoal polished concrete floors heated by geothermal energy against matte white walls. This is the epitome of West Coast luxury where architectural integrity combined with natural beauty create a lifestyle unlike any other
