\$520,000

Incredible townhome like condo with private entrance and private back yard. Fabulous updates done throughout including open concept kitchen, white shaker cabinets, fresh backsplash & stainless steel appliances, upgraded cooktop & wall oven. Plenty of options for the young couple or family with separate dining room that easily could convert to dining room or playroom. Upstairs features in-suite laundry, large primary bedroom which easily fits a king bed, second spacious bedroom plus updated bathroom. Various other updates including newly installed floors, in suite storage/pantry - perfect for the kids or pets (allows 2 dogs or cats up to 44lbs). Strata is well run and includes heat & hot water, recent building remediation work including updated electrical, new thermal windows, drainage & decking. Centrally located, within walking distance to parks, amenities & major bus routes. (id:56120)
