\$2,985,000

This is one of Bowen's most stunning properties. Completely one-of-a-kind, and full of good surprises. This 5.8 acre, fully-fenced property sits at the end of a quiet road. Wind up the driveway and past multiple ponds and pools to the main home, complete with 2 bedrooms and a view over the large pond below. That pond features a party barge and an island in the middle complete with bridge and fire pit. A short walk takes you to the back of the property, where a detached 1,100 sf studio sits above a three-bay garage/workshop, complete with surrounding gardens, irrigation, greenhouse and plenty of room for a hobby farm. Other features include a trail network that rings the property, three deep water wells, 5-seat pedal boat, and endless potential. Close to the trail up Mt Gardner.
