

309b 21000 Enzian Way, Agassiz

\$399,000

If you have been searching for that fun local skiing destination that is also a lucrative short term rental investment, then look no further. This completely remodeled, tastefully decorated ski-in/ski-out has views to Heaven (Ski run) and a cozy wood fireplace to relax beside after a day on the slopes. This centrally located complex has everything you need for year round enjoyment, an outdoor pool, 2 hot tubs, sauna, locker, laundry, games room, party room as well as underground parking. Tube park and amenities nearby. Enjoy a BBQ or hot beverage from the spacious balcony overlooking the mountain! Create memories that will last a lifetime in this idyllic retreat. Sasquatch Mountain is slated to become the largest winter resort between Whistler and the Okanagan! Just one look!
