

# 807 22 E Cordova Street, Vancouver

\$799,000

The photos barely give justice to this jaw dropping 2 level loft residence situated on the equivalent of the 12th floor of the coveted Van Horne residence overlooking the North Shore Mountains and the lights of downtown Vancouver. As you enter through the tastefully renovated kitchen you enter the wow factor 15 foot high double height living room taking advantage of the enticing Northern Views. A spiral staircase from the polished concrete floors leads you to the principal bedroom with a walk in closet. You are bound to be impressed.
