

1078 Brookview Dr, Metchosin

\$1,790,000

Welcome to 1078 Brookview Drive! This family home is nestled in a quiet and serene setting and it's very rare for a property this unique and beautiful to hit the market. It offers a perfect blend of comfort and nature amongst hundreds of fir, cedar and arbutus trees, amongst others. You have your own bridge crossing a lovely fish-bearing creek surrounded by sandy beaches on both sides! Local birds and other wildlife love the property too. Located in lovely Metchosin, tranquility best describes the 2.73 acres surrounded by forest, hillside and your own private trails. This west coast vibe features wood details throughout and one of the Island's largest fireplaces enjoyed by the entire main level, along with many windows offering views reminiscent of a large treehouse. You'll enjoy entertaining in your large updated kitchen with adjoining formal dining and living areas, and a huge wrap-around deck off the kitchen to accommodate larger groups. Upstairs offers a large primary bedroom with a walk-in closet and deck, two additional bedrooms, a laundry room, and an open office. There's also a three bedroom accommodation on the lower floor which can be adjoined by stairs to the upper levels for a larger family, or blocked off and utilized as an excellent mortgage helper. This home includes a brand new addition, electrical upgrades for electric vehicles, and a new modern septic system which is due to last the next forty years and multiple generations of your family. Heading back outside, you can enjoy your Japanese tea room or soak in your own wood fired cedar hot tub alongside the creek. The list goes on! Call your agent ! (id:56120)
